If such documentation is not provided prior to such 15 day period, then any inaccurate invoices issued due to the failure to receive such information will not be updated. Customer must present any claim for overcharges or undercharges within one (1) year from the date of the Shipment's waybill. Customer must commence any court proceeding to collect an overcharge or an undercharge within six (6) months of the date of written declination of a timely filed claim.

4. Term: Loup reserves the right to terminate these Rate Terms, in whole or in part, by giving Customer not less than 15 days' notice of such termination. Termination of these Rate Terms, or any portion thereof, for any reason shall not release Customer from any obligations it may have accrued prior to such termination.

5. Shipping: Customer shall provide Loup with complete and accurate shipping instructions that accurately identify the cargo, applicable STCC, origin, destination, and equipment identification number in the bill of lading (or other written instructions). Customer agrees that Loup shall rely upon such shipping instructions and the items identified therein and that Loup has no obligation to review the accuracy of such instructions. Customer shall comply with all loading, bracing and blocking requirements set forth in the applicable American Association of Railroad publication (as such requirements are approved by Union Pacific Shipment Quality prior to any Shipment).

7. Accessorial Services: To the extent such provisions are not contradictory, these Rate Terms and any accessorial services performed with respect to these Rate Terms are governed by Union Pacific Railroad Company's ("Railroad") published tariffs, as applicable, or any amendment, modification or successor tariffs or publications thereto.
