Rates do not apply to dimensional Shipments (i.e. shipments with one or more of the following: width greater than 11' (including protrusions), height greater than 17' above the top of the rail or loads that overhang the end of the rail car. Such dimensional Shipments must be pre-approved by the Union Pacific Clearance Team.
- 3. Payment Terms: Payment terms are 15 days from the date of invoice. Rates are in US dollars and Customer shall pay Loup in US dollars in accordance with the credit and collection terms set forth in Uniform Freight Classification 6000-series, Rule 62, as amended. Customer must deliver to Loup any documentation necessary for Loup to issue accurate invoices within 15 days prior to the first shipment. If such documentation is not provided prior to such 15 day period, then any inaccurate invoices issued due to the failure to receive such information will not be updated. Customer must present any claim for overcharges or undercharges within one (1) year from the date of the Shipment's waybill. Customer must commence any court proceeding to collect an overcharge or an undercharge within six (6) months of the date of written declination of a timely filed claim.
- 4. Term: Loup reserves the right to terminate these Rate Terms, in whole or in part, by giving Customer not less than 15 days' notice of such termination. Termination of these Rate Terms, or any portion thereof, for any reason shall not release Customer from any obligations it may have accrued prior to such termination.
- 5. Customer agrees that Loup shall rely upon such shipping instructions and the items identified therein and that Loup has no obligation to review the accuracy of such instructions. The documentation shall also provide that all rail freight charges be sent to: Loup, 1400 Douglas St Stop1230; Omaha, NE 68179.

Customer shall cause its designated motor carriers to provide proof of any required permit upon Loup's request. Customer shall comply with all loading, bracing and blocking requirements set forth in the applicable American Association of Railroad publication (as such requirements are approved by Union Pacific Shipment Quality prior to any Shipment).
- 7. Accessorial Services: To the extent such provisions are not contradictory, these Rate Terms and any accessorial services performed with respect to these Rate Terms are governed by Union Pacific Railroad Company's ("Railroad") published tariffs, as applicable, or any amendment, modification or successor tariffs or publications thereto.
- 8. Confidentiality: These Rate Terms are confidential, and no party may disclose any of these Rate Terms to any non-party without the prior written consent of the other party except as required by law or to a corporate parent or subsidiary.
- 9. Miscellaneous: These Rate Terms replace and supersede all prior rate quotes (or similar documents) with respect to the Services.
